

Size Guide WOMEN – PULLOVER, VESTS, TEE-SHIRT, BRETON SHIRTS

These specifications may vary depending on the style and cut of the item (fitted or straight).
The indicated centimetres (cm) refer to the measurement of the body and not to the article.

- a) **Chest measurement:** Place the meter around the chest horizontally at the strongest level.
- b) **Around the hips:** Place the meter around the pelvis well horizontally at the strongest level.

The meter must be pressed against the body without constriction.

Table measurements women (in cm)*
